Enthusiasm and Grammar

There is a good reason that the writings of St. Paul don't show up as examples in grammar textbooks. Today's reading is a case in point. It begins with one of those long Pauline run on sentences that leave lecturers gasping for breath. So what? Take a closer look at how Paul's fervor for his subject matter derails the grammar. There is something admirable about being so caught up in his convictions that the words cannot come fast enough to express them, much less in an orderly fashion. Scripture scholars usually take this grammatical ineptness as a sign of a passage's early importance in the Christian community, something they were so ardent about that their language never got refined.

What leaves us in this condition? Re-telling the plot line of an action movie or the play-by-play of a sporting event? When was the last time any of us was so excited by our faith in Christ that we were left grasping for words, stumbling over our own errors in speech? It may be bad grammar, but it is an excellent way to inspire others with the message of Christ!

Monica's Journey

"Monica's Journey" is a ministry of St. Joseph Catholic Church for women who struggle to find answers in the midst of difficult relationships or traumatic experiences in their lives. This ministry gives them a welcoming and non-judgmental place to find the hope and healing they need. Meetings are held in the evening during the week for 90 minutes. Members of other denominations are welcome. **This is a strictly confidential group and a confidentiality statement must be signed by all members.** The place and time of meetings will be disclosed after initial contact is made with the group facilitator. Voicemail: *Please leave a message and your call will be returned as soon as possible. (985) 467-9520.*

Healing Hearts

Healing Hearts: A Catholic support group for WOMEN, whose relationships have been negatively impacted by the pornography addiction or sexual addiction of a loved one. This may include a spouse, boyfriend, family member or friend. Strict confidentiality is observed by all members. Meetings are held on a weekly basis. Contact 985-401-2010 for more information and respond to the prompting.

Healing from Divorce Group

If you are separated or divorced, the Church cares about you. The loss of a relationship through separation or divorce poses one of the most difficult transitions a person can face. As people journey through a divorce, they face the stress of emotions, life changes, and developing a way to live a new life. As a Church, we are called to imitate Jesus Christ, who always sought to heal the brokenhearted. St. Joseph now has a new ministry for this purpose. For more information please contact Angela Perrin at 985-318-4927.

Stewardship

"What Becomes of the Son?"

In his parables, Jesus taught of the Kingdom of Heaven, about the nature of loss, about prayer and devotion, and concerning details of the last days. Through a parable about a vineyard, its owner, and a team of faithful servants, he also told a story about himself. Owner of the vast vineyard of his creation, God lent care of it to generations of stewards. To direct their efforts and how they chose to live, he then sent dozens of patriarchs and prophets. The masses rejected them, one at a time, to the point they rejected the Owner's Son, his "beloved son." What would become of the beloved?

"Jesus began to speak to them in parables. 'A man planted a vineyard, put a hedge around it, dug a wine press, and built a tower. Then he leased it to tenant farmers and left on a journey. At the proper time he sent a servant to the tenants to obtain from them some of the produce of the vineyard. But they seized him, beat him, and sent him away empty-handed. Again he sent them another servant. And that one they beat over the head and treated shamefully. He sent yet another whom they killed. So, too, many others; some they beat, others they killed. He had one other to send, a beloved son. He sent him to them last of all, thinking, *They will respect my son.* But those tenants said to one another, *This is the heir. Come, let us kill him, and the inheritance will be ours.*' So they seized him and killed him, and threw him out of the vineyard.' "

Coping With the COVID Crisis

Turning Trauma Into Growth

The Diocese of Baton Rouge is offering an on-line workshop to provide some insights and recommendations for dealing with the current COVID crisis. Social Workers from Catholic Charities and the Office of Marriage and Family Life have teamed up with Catholic Life Television to help the faithful of the Diocese understand how they might use the opportunity of this pandemic to actually grow through this experience by focusing on what psychologists call Post-Traumatic Growth. The workshop will outline the factors that hinder such growth as well as the factors that facilitate this growth. This free workshop can be accessed on-line anytime through the following link: <https://youtube/R-qUMJZ2LVA>
